

## Product & Service Data Sheet

**Testing Package** : LubeCheck™ 892 and LubeCheck™ 894

**Applications** : Recommended routine analysis for equipment such as  
 Hydraulic System  
 Natural Gas Engine (LubeCheck™ 894)  
 Gas & Steam Turbine (LubeCheck™ 894)  
 Air /Gas Compressor (Centrifugal type)  
 Etc.

**Testing Details** :

### LubeCheck™ 892

Test includes

- RDE Fine Wear Metal Elements (18 elements)
- RFS Coarse Wear Metal Elements(11 elements)
- Oil Condition &Contamination
- % water
- Viscosity @ 40° c or @ 100° c
- Particle Count ( NAS & ISO )
- Report with Interpretation

### LubeCheck™ 894

Test includes

- RDE Fine Wear Metal Elements (18 elements)
- RFS Coarse Wear Metal Elements(11 elements)
- Oil Condition &Contamination
- % water
- Viscosity @ 40° c or @ 100° c
- TAN (Total Acid Number)
- Particle Count ( NAS & ISO)
- Report with Interpretation

This Test Package apply

This Test Package apply

Note : The above recommended testing package will be as guideline ,the suitable test package may vary depend upon right application , environment severity, critical factor , machine age, so on .

**Sample Quantity** : 100 ml

**Report** : LubeCheck™ Oil Analysis Report provide

- |  |  |
|--|--|
| <ul style="list-style-type: none"> <li>• Displayed an easy –to- read and understand</li> <li>• Information for wear condition, lubricant condition and contamination</li> <li>• Interpretation and Recommendation of the result result option for bilingual</li> <li>• Color coded displayed for overall condition for present sample and history condition of previous samples</li> </ul> | <ul style="list-style-type: none"> <li>• Color coded problem highlight</li> <li>• Provide new oil or reference oil for comparing result and as base line</li> <li>• Publish alarm limit range of equipment and oil</li> <li>• Comprehensive trending graph of most parameters</li> <li>• LubeCheck™ Oil Analysis offers reporting option via internet, email and fax.</li> </ul> |
|--|--|

### Turnaround Time Service :

The report is typical available 2-3 working days of sample receipt at FocusLab 's laboratory.

**Example of Report** : Please view our example of Oil Analysis Report at [www.focuslab.co.th](http://www.focuslab.co.th)
